It is without saying this last school year has been like none other than we have collectively experienced. We have also been blessed, and we are grateful for you, our students, alumni and friends that have shown their support in many ways.

The Annual Fund is the school's largest fundraiser of the year and the proceeds go directly toward supporting the operating cost of the school. Our goal is to continue to offer academic excellence at an affordable tuition in addition to providing a safe and clean campus. We believe in teaching to the heart, mind and soul of each child.

Please help us support our mission of Catholic Education.

By giving to the Annual Fund, you are helping to support our mission to provide each child the highest quality education in an environment of Catholic morals and values.

The mission for Catholic Education - developing an environment of rich faith will always be the first priority of our school. It is our faith that joins parents, teachers, staff, administrators, alumni, businesses and friends into one Catholic school family. We invest in our children to help ensure that their future and the future of the Catholic Church are one in purpose.

If you have given to our Annual Fund in the past, we thank you for your ongoing yearly support. If you have never given, we invite you to consider a donation. It could be the start of a yearly commitment to Catholic Education that is mutually beneficial. It is an opportunity for you to give back to God in gratitude for the gifts he has given you and it is a way for us to remain financially stable as our schools invest in the future of our children and their education year after year.

With your contribution to Saint Bonaventure High School, we will be able to continue our mission of Catholic Education through the 2021-2022 school year.

God Bless,

Saint Bonaventure High School
