## Parent Volunteer Service Record

### 2023-2024

***School functions and activities are an essential part of the educational process and parent/guardian help is needed in order to provide the best educational experience for students. Participation sets a strong example of community spirit, service, and leadership for students.***

Twenty-five (25) hours of service per school year are required from each family; 12 hours of service are required of single parents. Please note 5 (2.5 for single parent families) hours of the 25 (12) hours must support our SBHS Fiesta. Family Service hours must be recorded on this form. Those who find it impossible to participate completely because of family or other commitments may fulfill this requirement by paying \$500.00 in lieu of service.

*Families are assessed \$20 for each unworked hour. To ensure proper credit, your form must be fill out completely.*

**PLEASE SUBMIT ONE FORM WHEN ALL HOURS ARE COMPLETE. DELIVER TO THE ADMINISTRATIVE OFFICE.**

**Submit the completed form to the front office no later than June 1, 2024.**
